

Dear Parents and Carers

Despite COVID, we have had a very good half term with children happy to be in class and meeting all their friends again.

COVID - UPDATE

Unfortunately, due to increasing positive cases in school we will not be changing any of our routines and procedures introduced as part of our risk assessment and response to the pandemic.

Relationships, Sex and Health Education (RSHE)

In line with government guidance, we have produced a policy and adopted the Diocesan MAT Programme of study. We would like to consult with all parents about the contents. The policy and programme of study can be found on the school website in the parent section. A paper copy can also be collected from the school office.

YR6 parents in particular need to look at the non-statutory sex education elements that we have included. These can be found on the last page of the programme of study. Please email any thoughts or questions to admin@christchurch.newcastle.sch.uk.

The consultation will end on Friday 5th November, 2021.

Parents Evening – Alternative Arrangements

Unfortunately, due to continuing positive cases in school, we will not be hosting parents evening this term. Instead, teachers will write a short interim report for your child which will be sent to parents/carers via email from admin at the end of November. Please remember if you have any concerns or worries, telephone school to make an appointment to speak to the class teacher.

The main purpose of the report is to inform you about the progress your child is making particularly in English and mathematics.

Curriculum Enrichment

Please see the school website for latest photos of recent activities in school. Hopefully, we'll put the harvest singing on their too.

Enjoy the half-term. School reopens on Monday 1st November.

Mrs Furno
Head Teacher
