21 April 2026

Dear Parents

We have finally received our Ofsted report. The report including facts and figures used will be published on the Ofsted website within 5 days (reports.ofsted.gov.uk) as well as on the school website. We are providing a paper copy of the report card with a short explanation about the new format and meaning of the grades.

We hope you will be as proud as we are about your children and the school's achievement. We would also like to thank you for all the wonderful comments and praise you shared with the inspectors which contributed to our success.

Yours sincerely

Sandra Furno
Headteacher

Ofsted report cards and grades <https://www.gov.uk/guidance/understanding-ofsted-report-cards-and-grades>

The report card shows colour-coded grades for different areas:

- Achievement - **expected standard**
- Attendance and Behaviour - **expected standard**
- Personal Development and Well-being - **strong standard**
- Inclusion' (meaning how well the school meets the needs of all children) - **strong standard**
- Curriculum and Teaching - **expected standard**
- Early Years - **expected standard**
- Leadership and Governance - **expected standard**

Safeguarding responsibilities are **'met'**

Grades Ofsted uses:

The **'expected standard'** means **the school is doing everything that it should be doing. It's a high standard**, to make sure your children are receiving everything they need and deserve.

'Strong standard' marks out **excellent, consistent work** that's making a real difference for children and learners.

'Exceptional'. Ofsted only award this grade when they see practice that is among the very best nationally, which should be shared with other schools or providers to help them improve.

'Needs attention' is an indication that there is work to be done to reach the 'expected standard'. It's not a 'fail' but it highlights where issues can be addressed before they become bigger problems that need **'urgent improvement'**.
